

Wildhorse Disc Golf Course - Afternoon Layouts

Note number and course name on basket wraps are NOT correct. Four basket wraps say Millennium (15-18) & 14 say Innova (1-3 & 9-11, 14-18). See individual maps on tee signs for additional clarification.

Each tee pad has signage for the individual hole, including the short tee pads.

Always give way to ball golfers. They play through the fairways much quicker than disc golfers.
